

TECHNICAL DATA SHEET

Larch Lyed White

GRADES

Knotty	Contains knots typical of this wood
--------	-------------------------------------

TECHNICAL CRITERIA

Origin	Europe
Certification	PEFC, FSC on request
Formaldehyde emission	E1
Thermal conductivity	0.12 W/mk for 15mm depth

PRODUCT DETAILS

Product range	BRUSHED Lightly textured
Available formats	Boards
Width	185mm
Length	2480mm
Depth	15mm
Construction	Engineered 3-layer construction
Finish	Lightly brushed, lye treated and colour-oiled
Profile	Tongue and groove
Edge profile	Micro bevelled
Wear layer	4mm

MAINTENANCE

Initial care & re-oiling	<ul style="list-style-type: none"> Do not clean the floor with water in the first 4 weeks after installation Under no circumstances should any chemicals/white spirit/detergent cleaners be used as these will remove the protective oiled finish We recommend a final coat of oil after installation Re-oil every 2-5 years depending on the volume of traffic. High usage areas may require annual re-oiling Use Woca Master Floor Oil White Prior to re-oiling wash the floor with Woca Wood Cleaner and leave to dry for 4 hours
General cleaning	Use Woca Natural Soap White for regular cleaning

INSTALLATION METHODS

Fixed installation	Highly recommended, either fully bonded or secretly nailed
Floating installation	Possible depending on room size
Over underfloor heating	This floor is compatible with UFH. Floors must be fully bonded to the substrate The temperature of the floor surface must not exceed 27 degrees. Floor sensors must be installed to monitor the maximum temperature

WARRANTY AND INSTALLATION

Manufacturer's warranty: 5 years, subject to terms and conditions. Note there is no warranty on the finish as we have no control over usage and aftercare. All our floors must be installed by a competent installer onto a firm, level (flat), clean and dry substrate. The site must be heated if necessary and water tight with all glazing fitted. Wet works such as plastering and tiling must be completed prior to installation.
